WORK EXPERIENCE

01/09/2019 – CURRENT – Abu Dhabi, United Arab Emirates

In-patient Pharmacist

PROVITA International Medical Center

ProVita is a long term care center, accredited for JCIA & CARF.

Specifically ProVita have made contract with NMC Royal hospital to admit the critical patients in the hospital. So my role is to take care and oversee all pharmacy activities for 55 patients in the NMC Royal under the management of ProVita.

-A front-line hospital pharmacist providing essential patient care during this public health crisis through managing medications, identifying therapeutic needs, counseling patients.

-Verifying medications orders.

-Preparing TPN & I.V. fluids following USP chapter 797 guidelines.

- Dispensing for the patients in wards.

- Unit dose batch preparation.

- Participating in daily ward rounds.

- Compounding extemporaneous non-sterile preparations.

- Medication reconciliation upon admission, transfer, & discharge.

-Handling controlled & narcotics medicines as per DOH regulations.

- Medication carts and floor stock audits.

- Supply chain management.
